## OCTOBER MEETING

**MONDAY, OCTOBER 16, 2017**

**Developing and Maintaining a Children's Choir  
(and how to keep kids in choir!)**

St. Frances Cabrini Church  
115 Trinity Drive, Aliquippa (Center Township), PA 15001  
Presenter: Linda Wallace

We are very fortunate to have Linda Wallace present on the topic of Children's Choirs! Linda is a former public and private school music teacher and pastoral musician. She graduated from Alverno College in Milwaukee with degrees in liturgical music and music education. She was fortunate to have studied under the late Sr. Theophane Hytek. Linda founded the Tri-County Choir Institute in 1991, conducting two children's choirs as well as three other choirs. Seven years ago, she discovered the Estill methodology of Voice Training and became a qualified teacher.

Join us at 7:00 PM as she shares her wealth of information regarding Children's Choirs, voice tips, and how to keep kids coming back year after year.

We will conclude the evening with a brief business meeting, evening prayer and Koinonia.

We are pleased to announce that we have added two familiar faces to our leadership team for 2017. We welcome David Dreher as our newly appointed Director of Technology. David is the Director of Music Ministries at St. Kilian Church in Cranberry Township. David has created our new YouTube Channel. You can navigate to the channel from our homepage at [www.nmpmgh.org](http://www.nmpmgh.org). Our September Ensemble Workshop with Steve Petrunak can be found there as well as the newest addition, "Creating Worship Aids." Be sure to "Subscribe" so that you can be notified of additions and updates to our YouTube Channel.

David will pair up with Amanda Bruce for our first Live Webinar Virtual Meeting to take place on Tuesday, December 5 at 7:00 PM. This presentation entitled, "Clouds Are Not Just For Rain!" will focus on the following topics:

1. Cloud services and uses of Dropbox, OneDrive, Google Docs and how they can enhance sharing files and music with cantors, choirs, and instrumentalists.
2. Using music writing software like Allegro, Finale, and ForScore and how they can be used with iPads and other digital platforms.
3. Scheduling software to aid you with weekly or monthly scheduling of cantors and having those schedules in the cloud.
4. Recording techniques for creating audio files (mp3) for use in rehearsal cantors and choirs.
5. Microphones - how to use them and what kind to use for specific purposes.

We also welcome Dianne Falvo to our Leadership Team. Dianne was the former Director of Music Ministry at St. Winifred Church, Mt. Lebanon and recently retired from full time music ministry. We took that opportunity to appoint her as our Publicity Coordinator! Thank you Dianne. Dianne will be responsible in helping to get the word out in the Diocese as to what our Chapter is and does. You will begin to see some of our events and meetings publicized in the Pittsburgh Catholic as well as other publicity strategies as determined by the board. **Greetings Members of the Pittsburgh NPM Chapter:**

**My name is Daniel Kovacic, and I am excited to be serving my first term as our chapter DMMD Director. I have been involved with NPM more and more since I came to the Diocese of Pittsburgh over six and a half years ago. I am the Minister of Music at St. Winifred, Mount Lebanon, and recently, I completed a term on our board of directors as Director of Recruitment. Throughout the last year, we have seen a large number of not only music directors, but organists, cantors, choir members, and others involved in pastoral music come to our monthly events for evangelization, music education, and spiritual renewal thanks to the hard work of those who serve on our leadership team. I am blessed to work with such great people!**

**What is DMMD? DMMD stands for “Director of Music Ministries Division.” The group is for those in the parish who hold or share the primary responsibility for music in a variety of settings in the parish, diocese, and other church institutions. DMMD has provided a network of support for professional directors and addressed their particular needs in the areas of education and professional concerns. To become a member of the national DMMD, you can visit the NPM website.**

**I would like to invite you to please join our DMMD functions in the Chapter. Our next two events are in the process of being finalized, and as the events are finalized, they will be sent out via email and found on our Facebook page.**

### **Mid-Day Prayer and Church Tour**

**Prayer Location: St. Stanislaus-Kostka Church, Strip District**

**Lunch Location: Lydia’s Restaurant, Strip District**

**The DMMD chapter will have the opportunity to not only pray in one of Pittsburgh’s beautiful worship spaces, but learn about the history of the building and the community.**

**The prayer service and tour will begin at noon. Following the service and tour, we will gather at Lydia’s Restaurant for lunch. Reservations will be required.**

### **A Day in Philly**

**Event Location: Macy’s Department Store, Philadelphia, PA**

**Dinner Location: TBD, Philadelphia, PA**

**Proposed Date: Spring 2018**

**We will have the opportunity to gather together for a one day bus trip to Philadelphia, PA to hear the Wanamaker Organ in concert at the Macy’s Department Store and a possible organ crawl of the instrument.**

**Following the organ crawl, the group can have an opportunity to explore Philadelphia before the group will eat dinner together and return to Pittsburgh in the later hours of the evening. (This trip will be open to all members of NPM along with your music ministry members at your parish.)**

**I look forward to meeting everyone in our chapter, and if you have any questions concerning DMMD, please do not hesitate to contact me.**
